lo. S.P.C. 22021-41. Please be good enough to mate your best prices for the materials described ıw :—

n No. 1.—90 tons of Sulphate of Alumina for delivery, f.o.r., Bangalore.

he sulphate of alumina to be quoted should strictly form to the following specifications :—

Lump sulphate ranging in size not less than $\frac{3}{4}$" nor more than 3" slab. Brick supply shall not be accepted.

hemical requirements :—(1) The material shall be ic. (2) It shall contain not less than 17 per cent ilable water soluble alum (A 1203). (3) It shall not con- more than 0·75 per cent iron Fe 203. (4) Insoluble ter shall not exceed 0·5 per cent of material insoluble illed water. (5) It shall be free from arsenic or oisonous metals".

arding size, the specification is as follows:—

mall lumps sulphate of alumina shall be free from ps, string piece of sacking, etc., and shall be of such that 100 per cent shall pass a sieve having 4 meshes ıear inch and 96 per cent shall remain on No. 10 Mesh all be practically free of all powder. The material be packed in strong new double gunny bags or in

No. 2.—Crystal Alum—20 Tons—The material is required to be supplied to the several water works in the State on receipt of indents from the officers, which should be complied with within a fortnight. aterial should be delivered at the destination care- nd insured against all risks including losses p to destination stations. In the event of the ound short or defective on arrival, the con- e required to make good the losses or to ective material by the correct one without

mples of materials proposed for supply y the tender. The full name and address turers should be clearly specified. The ommittee will also reserve the right to arrange, if necessary, for check tests on samples taken from the supplies. The cost of such check test, *viz.*, Rs. 25 per test, should be borne by the contractors. Tenders not satisfying these conditions shall not be considered.

In the event of failure to execute the contract satisfactorily and in time, the Stores Purchase Committee will be at liberty to cancel the contract and to make purchases from other sources, the extra cost, if any, incurred thereby being debited to the defaulting contractors. The Committee further reserve the right to levy from the defaulting contractors a penalty of 3 per cent of the contract price as and by way of liquidated damages either for delay or unsatisfactory supplies.

In case of dispute as regards the proper performance of the contract, the decision of the Stores Purchase Committee shall be final.

The contract for the supply of sulphate of alumina and crystal alum will be subject to the following conditions also :—

1 The rates offered should hold good for a period of one year during which period the contract will be in force.

2 The contract should be deemed to be confined to the quantities actually drawn during the period of contract.

3 No enhancement over the price that may be accepted will be admissible during the period of contract.

4 The supplies to be made should conform in all respects to the specifications in the schedule and to the samples submitted by the contractor and accepted by us, failing which they will be rejected. All rejected supplies should be replaced by correct material according to approved samples, free of cost, to Government within a week from the date of rejection.

5 Failure to make supplies in time and according to the approved samples will entail concellation of the contract and purchase being made against the contractor and his risk from other sources, extra cost, if any, incurred by Government being debited to him. In such an event the Stores Purchase Committee will also be at liberty to forfeit the security deposit.

6 If, on grounds of urgency or other causes, materials not according to the approved samples are accepted, he must be prepared to accept any price that may be determined by the Stores Purchase Committee, as reasonable.

7 The successful contractor should enter into an agreement with the undersigned, undertaking to abide by the conditions of the contract and also deposit a sum equal to 5 per cent of the value of the order in the District Treasury, Bangalore, with the chellen form duly filled in, as security for the due fulfilment of the contract, within two weeks from the date of the order, failing which the order will be cancelled.

Tenders should be submitted in sealed covers bearing the superscription "Tender for Supply of Sulphate of Alumina and Alum" and addressed to the Secretary, Stores Purchase Committee, Bangalore City, not later than 23rd September 1952.
